

EMPLOYMENT OPPORTUNITY

Off-Ice Instructor (Assistant Role):

Skate Oakville is a vibrant and inclusive figure skating club committed to the development of athletes from the grassroots to elite level. Our off-ice training supports skaters in building strength, coordination, and confidence to enhance their on-ice performance.

Skate Oakville is seeking a reliable and motivated Off-Ice Instructor to support the delivery of off-ice training sessions during our summer program. The successful candidate will assist in leading off-ice classes for skaters ranging from beginner to elite levels, with the opportunity to occasionally lead sessions as needed.

Roles and Responsibilities:

- Assist in the delivery of off-ice classes, supporting lead instructors as directed.
- Provide hands-on guidance and corrections to skaters during training sessions.
- Occasionally lead sessions in the absence of the primary instructor.
- Help maintain a positive, inclusive, and safe training environment.
- Ensure exercises are appropriate for age and skill level.
- Communicate effectively with skaters and coaching staff.

Qualifications:

- Experience in off-ice training, dance, fitness, or working with youth athletes.
- Interest in figure skating or previous experience with skating programs is an asset.
- Strong communication and teamwork skills.
- Ability to follow direction and contribute to a positive athlete experience.
- First Aid/CPR certification (or willingness to obtain) preferred.

Hours:

- Weekdays, Daytime Only (Monday–Friday)
- July 4 to August 15

Pay: Commensurate with experience
